PROFILE

I am a high school student looking to expand their knowledge and explore both the Engineering and Medical fields. I am passionate about being a strong leader and am currently searching for what I would like to pursue in higher education.

EXPERIENCE

CLUB PRESIDENT

STEM Club (MultiCare High School)

June 2022 - Present

- Create agenda for STEM club meetings.
- Arrange meeting days, times, and locations.
- Meet with supervisor and communicate wants and needs of the club.
- Arrange for different schoolteachers to come in on club meeting days and teach a STEM-related workshop.
- Manage and allot club funding for different experiences and activities including coding workshops.

VOLUNTEER

American Red Cross

June 2022- June 2023

- Prepare paperwork and documents to be handed out during various Red Cross events.
- Aid in the creation of testimonials for the Red Cross website pertaining to volunteering at Red Cross and the impact it makes.
- Control flow of traffic at various events.

ESTELLE DARCY

HIGH SCHOOL STUDENT

I am a high school student who is actively seeking different ways to serve my community. Pursuing a career in medical care has always been a dream of mine because I would love to continue interacting and aiding people using my strong leadership and my journey to continue being a lifelong learner.
